

Colony Meadows

February 2010

Yard of the Month

Congratulations to Ana Bonilla at 16910 Ascot Meadow Drive for having the January lawn of the month.

Please notify Rich D'Amico (281-277-7751 or rdamico1@comcast.net) if you know of a neighbor who deserves this recognition.

Trash Pick Up

Please do not put trash bags and other garbage out on the sidewalk. It endangers pedestrians and children riding their bikes. Instead, place it on the green strip between the sidewalk and the street.

Trash pick up is on Tuesday and Friday with recycling on Tuesday.

Please find below some more information regarding pick up.

- Allied Waste collection hours are from 7 a.m. to 6:30 p.m.
- Trash and recycling bins must be set out by 7 a.m.
- All solid waste shall be placed no farther than six (6) feet from the curb for collection.
- Heavy trash, appliances and lawn trimmings will be picked up on either collection day. Refrigerators and freezers must have the doors removed before being placed at the curb for collection. This is a safety measure to ensure that children do not get trapped inside. Allied Waste has 24 hours to remove appliances with refrigerants.
- Up to 15 cubic yards of brush (15 piles 3' x 3' x 3') will be picked up each collection day.
- Re-usable residential receptacles must have a capacity of no less than 20 gallons but no more than 40-gallons nor weigh more than 60 pounds with trash.

UNACCEPTABLE CURBSIDE ITEMS

Allied Waste will not pick up: automobile parts, tree stumps and logs larger than 4' in length or greater than 4" in diameter, dirt, construction debris, concrete, bricks, rocks, roofing materials, metal poles, trampoline frames, hazardous chemicals, lead batteries, motor oil, tires, gasoline, paint, landscape timbers over 2' long or fence pickets with nails.

Colony Meadows

Bulletin Boards

Last month the bulletin boards were put up and they will be used to house this insert as well as any other information that is deemed appropriate for our residents. Rich and I will both have a key.

Cats

The orange cat is still roaming around Colony Glen Court, annoying the neighbors and their pets. If this is your cat, please keep it on your property. I'd like to remind everyone of the following:

The City of Sugar Land ordinance requires that animals (eg. cats and dogs) not be running at large. A cat or dog is required to be fenced or on a leash or allowed in your front yard only under your verbal command. In any other situation the animal is considered to be 'running at large.'

Residents who have a problem with an animal that is not their own, can call Animal Control (281/275-2596) for assistance. They will deliver cat traps and pick them up when the animal has been trapped.

In the meantime, I suggest spraying an annoying cat with the water hose.
