

Lakes of Austin Park Teddy Bear Drive

The Lakes of Austin Park ladies group had a great turn out for their Christmas party and Teddy Bear drive. This group wanted to do something worthwhile for their community during their December fun night. In lieu of a holiday gift exchange, each person brought a teddy bear to be donated to the Missouri City Police Department Blue Santa program. Snuggly bears offer comfort to children at a crime scene and these ladies had so much fun buying them and testing them for "hugability." In 2009, the "LOAP Ladies" had fun making Mothers Day baskets for the Fort Bend County Women's Shelter; Goodie Boxes for the troops, a food drive, and topped it off with a snuggly good time with the Teddy Bear drive. If you're interested in joining this group, contact Sylvia McPartland at mcpartland@windstream.net
