

## Hello Plantation Colony Residents!

Your new neighborhood reps are excited to represent you this year. One of our main goals is to improve communication in the neighborhood, and to encourage everyone to meet and know your neighbors. In an effort to enable us to communicate better with each other, we would like to create a new directory. This information will help you know who your neighbors are, and enable you to contact each other when need be.

If you would like to be a part of the directory, please fill in the information below and return it to 5306 Rebel Ridge Drive. There will be a box by the front door for you to drop it in. **The other way to get the information to us is by email.** We have created an email for Plantation Colony residents to contact the reps. The email is: [plantationcolony@gmail.com](mailto:plantationcolony@gmail.com). You are welcome to email us with the information below if you so choose.

Name(s): \_\_\_\_\_

Address: \_\_\_\_\_ Home Ph. No. \_\_\_\_\_

Work or Cell Ph. \_\_\_\_\_

Email: \_\_\_\_\_

\_\_\_\_\_ Yes! I'd like to be a "link" in the Plantation Colony chain.

We realize that most homes have multiple cell phones and emails. Please feel free to put more than one if you'd like, just label whose it is.

Second, we would like to begin a communication chain. This would consist of a main person being the beginning of the chain. Ideally, there will be a contact person for each cul-de-sac, and a contact person for approx. 15 homes on the three main streets (Plantation Colony, Rebel Ridge (the middle part), and Cannons Point. This person will be a "link" in the chain and will be responsible for sending any information sent to them on to their group of neighbors. This will ensure that the entire neighborhood will receive important information as soon as it comes to our attention. Obviously, the easiest way to do this will be by email. We do realize that some of you may not have a computer nor access to one, so don't worry. We will make sure that you get a phone call with the information.

We now have a **blog site** exclusively for Plantation Colony residents. This blog site will be a great way for us to let you know of upcoming events and give you pertinent information. The blog is <http://www.plantationcolony.blogspot.com>.
