SPECIAL NOTES FOR SANTA’S HOUSE CALL (IF ANY):

Santa’s visit will be simple and sweet – I will be available to hear the children’s wish list, give them a small treat and most of all and wish them a very Merry Christmas!

Please be aware that Santa is very busy and will only be available for your scheduled 15 minute visit unless otherwise scheduled. If by any chance I am behind schedule, I will call to let you know. I will do my best to stay on schedule; however, occasionally my reindeer may take a wrong turn and might delay the visit a few

minutes... *Santa Clause*
